Dear Michael:

All of us at AFMDA are greatly appreciative that you have agreed to become the new, and the first, Chairman of Northern New Jersey AFMDA. Karen Berger and I are looking forward to working with you.

You've already done so much for AFMDA prior to becoming the Northern New Jersey Chairman. Your visit to the MDA Sderot Station during the time of the missile attacks was an act of courage. Our organization received much press coverage about that visit.

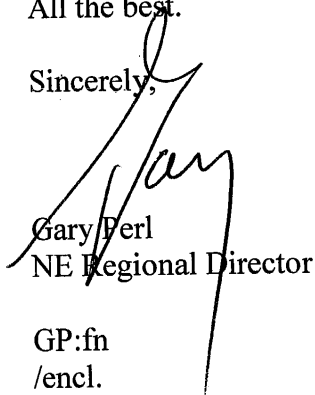

The event which you and Amy hosted at your beautiful home last month was the first of its kind in the area.

The paramedics and the first responders at Magen David Adom are fortunate to have a friend and leader like you joining our ranks.

Karen and I will meet with you in the near future and together, we will strategize a campaign for northern New Jersey.

All the best.

Sincerely,

Gary Perl  
NE Regional Director
